PLAYHOUSE

for Stuffed Animals and Toys

HAVE AN ADULT HELP YOU WITH THIS ACTIVITY!

Make Doc McStuffin's playhouse and medical center!

PRINT & PLAY

It's Construction Time!

Ask an adult to help you follow the instructions below to create your very own Doc McStuffins Toy Treatment Medical Center.

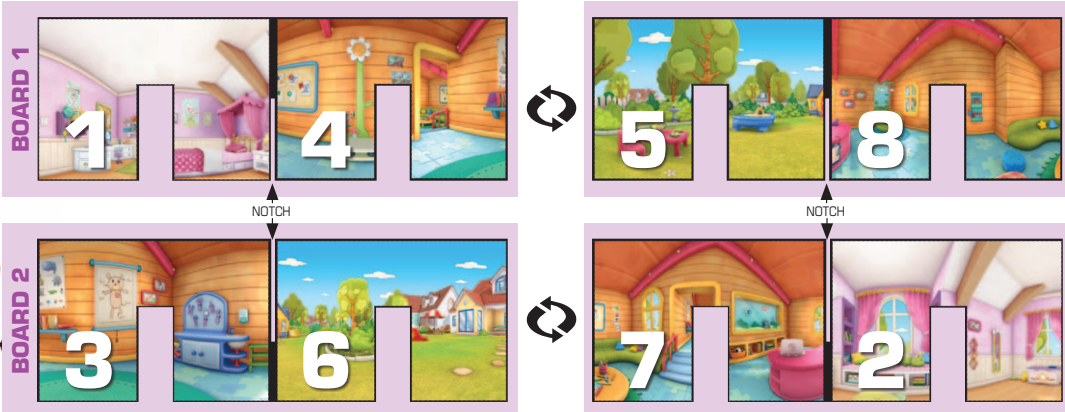

Have Fun Taking Care!

Invite your favorite toys and stuffed animal friends to come visit and get treatment for what ails them.

THE DOC IS IN!

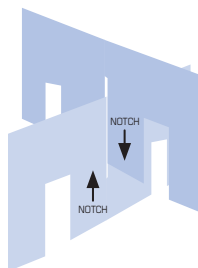

You Will Need: Printer, Cardboard, Scissors, Box Cutter, Glue, Yardstick.

Directions:

1. Print out all the pages of this PDF.
2. Have an adult help you cut out two 7"x20.125" cardboard rectangles. Set Aside.
3. Cut out each of the eight backgrounds along the BLACK dashed lines.
4. Align each background to the outer edge of your cardboard according to the diagram above and secure with glue. Let dry.
5. Cut out the doorways along the WHITE dashed lines.
6. Cut one .125" wide and 3.5" tall notch at the center bottom of board 1 (see diagram on the right).

7. Cut one .125" wide and 3.5" tall notch at the center top of board 2 (see diagram below)
8. Slide the notches into one another to form an x-shaped house.
